MEDIA THAT MAKES SENSE

With more than one million engagements per year across print, online and social media, The Yak Magazine is so much more than just a luxury lifestyle magazine.

Tour de Force

The Yak Magazine and its online affiliate websites, App and online content are a marketing tour de force in a sea of publishing mediocrity in Bali and beyond.

Luxury Lifestyle

Established over a decade ago as the island's principal luxury lifestyle mouthpiece, the magazine has grown from strength to strength to incorporate slick, original content across all platforms in the modern age.

World Class

With a fully responsive mobile website and world class native App at its side, the print edition of The Yak turns heads from all corners of the world with its superb attention to design, writing, photography and layout, which is continued throughout our online platforms.

Vibrant Events

The magazine and its global online reach also form the basis for a vibrant events calendar incorporating sporting events to rival the best, an awards show and network lunch series.

Discerning Appeal

The Yak's appeal to advertisers lies in its immediate international reputation for style, quality and luxury, and in its extensive and defined reach into a market of discerning readers spanning the prime purchasing demographic.

Distribution

Distribution of the print edition tops a readership of 90,000 per issue with controlled circulation to premier venues in Asia, to bookshops throughout Indonesia and Bali; in private members clubs, luxury hotels and airline lounges. An engagement of 360,000 readers per year.

The Online Source

Online its content is unrivaled. With a guide book App used by discerning concierges, a mobile and responsive website that powers extensive social media groups across FB, Instagram, LinkedIn and Twitter (with a combined annual reach of more than 700,000 engagements), The Yak stands as a definitive source in Bali lifestyle and offering a tried and tested channel to consumers.
